

# Terms of Use

Effective date: September 7, 2026

---

These Terms of Use ("Terms") govern your access to and use of the Cooked mobile application provided by Cooked Technologies ("Cooked", "we", "us", or "our"). By using Cooked, you agree to these Terms. If you do not agree, do not use the app.

---

## 1. Eligibility and Accounts

You must be legally able to enter into these Terms to use Cooked. Some features require an account. You are responsible for providing accurate information, protecting your credentials, and all activity under your account. Notify us promptly if you believe your account has been accessed without authorization.

---

## 2. The Cooked Service

Cooked helps you import, organize, and discover recipes, plan meals, manage cookbooks, create shopping lists, and use ingredient-scanning or AI-assisted features. Features may change, be suspended, or become unavailable from time to time.

---

## 3. AI and Food Safety Disclaimer

AI-generated recipes, ingredient recognition, nutritional information, substitutions, and cooking instructions may be incomplete, inaccurate, or unsuitable for your needs. They are provided for informational and convenience purposes only.

Always verify ingredients, quantities, cooking times, temperatures, allergens, dietary requirements, and food-safety guidance before cooking or eating. Do not rely on Cooked for medical, nutritional, or allergy advice. You are responsible for deciding whether a recipe is safe for you and others.

---

## 4. Your Content

You retain ownership of content you submit to Cooked, including recipes, images, links, and preferences. You grant Cooked a limited, worldwide, non-exclusive license to host, process, reproduce, and display that content only as reasonably necessary to operate, maintain, secure, and improve the features you use.

You represent that you have the rights needed to submit the content and that your content does not violate any law or another person's rights. Do not upload confidential, unlawful, harmful, or infringing material.

---

## 5. Acceptable Use

You must not:

- use Cooked for unlawful, fraudulent, abusive, or harmful activity;
- interfere with or attempt to gain unauthorized access to the app or its systems;
- reverse engineer, scrape, copy, or redistribute the service except where permitted by law;
- upload malware or content that infringes another person's rights; or
- misuse automated or AI features in a way that creates unreasonable load or risk.

---

## 6. Subscriptions and Payments

Cooked may offer free and paid features, including recurring monthly or annual subscriptions. Prices, trial periods, and available features are shown in the applicable app store before purchase.

Subscriptions are billed by Apple App Store or Google Play, not directly by Cooked. Unless canceled through the applicable store, a subscription may renew automatically. Cancel at least 24 hours before the end of the current period or trial when required by the store's rules. Deleting the app does not cancel a subscription.

Refunds are handled according to the policies and procedures of the app store where the purchase was made. Cooked does not control app-store billing decisions.

---

## 7. Third-Party Services and Links

Cooked may rely on or link to third-party services, including authentication providers, app stores, analytics services, and websites containing recipe content. Their own terms and privacy policies apply. Cooked is not responsible for third-party services or content.

---

## 8. Intellectual Property

Cooked and its software, design, branding, content, and technology are owned by Cooked or its licensors and are protected by applicable intellectual-property laws. These Terms give you a limited, personal, non-transferable right to use the app for its intended purpose.

---

## 9. Availability and Disclaimers

To the maximum extent permitted by law, Cooked is provided on an "as is" and "as available" basis. We do not guarantee that the app will always be uninterrupted, secure, error-free, or suitable for every use case.

---

## 10. Limitation of Liability

To the maximum extent permitted by law, Cooked and its affiliates, officers, employees, and suppliers will not be liable for indirect, incidental, special, consequential, or punitive damages, or for loss of data,

profits, or business arising from your use of the app. Nothing in these Terms excludes liability that cannot legally be excluded.

---

## 11. Suspension and Termination

We may suspend or terminate access when reasonably necessary to protect the service, comply with law, address misuse, or enforce these Terms. You may stop using the app at any time. Provisions that by their nature should survive termination will continue to apply.

---

## 12. Changes to These Terms

We may update these Terms from time to time. We will update the effective date when changes are made and may provide additional notice where required. Your continued use of Cooked after an update means you accept the revised Terms.

---
